Kindy Class Information

Kindy Program Coordinator: Leith Blackman

Philosophy

1. Children grow and develop at their own rate. At times they may need encouragement to participate in some activities to promote development, but they will never be forced.
2. Each child is recognised as an individual, and are encouraged to develop their own feelings, thoughts, opinions and ideas and to express themselves.
3. All children have a right to grow and develop with a positive self-image and are encouraged to take pride in who and what they are and what they achieve.
4. Children are encouraged to settle any differences verbally and are guided into positive social interactions with peers and adults whilst having their own feelings and rights respected.

Sessions

The Kindy Sessions will be on;

Monday - Friday 9am - 12pm including lunch

Monday - Friday 1pm-3pm

(as per school terms)

Each session caters for a maximum of 15 children.

Each group attends a session one morning a week. If you would like more days then you are free to enrol for two classes if there are places available.

The Kindy classes cater for a three to four year age group and is structured to help the children prepare for Four Year Kindy.

The children will be required to bring a piece of fruit that they will eat and a clearly labelled water bottle. Morning sessions will need to bring along a packed lunch also labelled as well. We are a nut and egg free centre as we have children with allergies. Please pack a change of clothes and hats are a must!

All Children are required to be out of nappies and toilet trained as we do not have a nappy change area in the Kindy building. We understand that children will have the odd accident and we will be prepared for that. If you are concerned or your child has a medical condition, please discuss this with us.

If you require Occasional Care please contact the staff in that room.

Thanks.

Philosophy Statement

- Our aim is to provide a quality childcare service in a caring environment that is safe, accessible and supportive to all families.
- All children using the centre will be regarded equally and with respect for their individuality and family background.
- The children will be encouraged to participate in stimulating fun activities and experiences that enhance their development and self-esteem.
- All families and children using the service are regarded as equal, with all staff respecting their individuality and background.

Childcare Objectives

1. To provide a safe secure environment, both physical and emotional, in which children and their parents can feel comfortable and at ease.
2. To provide opportunities for social interaction and stimulate communications between children, staff and parents.
3. To provide varied and stimulating learning opportunities to enhance the children's physical, emotional and intellectual development.
4. To encourage independence appropriate to the development of each child and to enhance self-esteem and confidence.
5. To recognise the individuality of each child and to encourage the appreciation and differences in others.

Little Possums Sharing Centre

Little Possums Sharing Centre is owned and operated by Mundaring Sharing Incorporated, a community-based, not for profit, Adult Learning Centre. Mundaring Sharing provides adults with the opportunity to learn new skills, share their knowledge and meet socially.

Little Possums originally began as a creche for parents attending classes at the centre and grew from there into an occasional care centre. The original creche was opened in 1978, and after a few moves, opened in the current building in 1995.

Occasional Child Care Centres provide a unique service in allowing parents to leave their children for as little as one hour and to only pay for the hours used. This provides parents with the flexibility they need to attend appointments, get odd jobs done, attend a class, work, or spend time with other siblings.

Little Possums is supervised by Helen Faulkner (a qualified Early Childhood Care and Education Worker), and managed by an Executive Committee.

In 2006 we discovered the need for 3 year old Kindy classes and started classes to address this need. These classes are run by Leith Blackman. There is more information about our Kindy classes towards the end of this booklet.

Illness/Medications and When to Stay at Home

Under state regulations we are not permitted to accept any child temporarily suffering from:

- ear/eye discharge
- nasal discharge
- high temperature
- any type of skin rash
- infections or weeping sores
- diarrhoea
- vomiting
- any signs of infectious diseases

Vomiting and Diarrhoea - children must not attend for 48 hours after their last vomit or loose bowel movement.

Coughs and Runny Noses - children are asked not to attend if they have a nasty cough and must not attend if they have a "green" nose.

Head Lice - if a child is scratching, we will check their hair for lice. Children must not attend with lice or eggs.

If a child becomes ill at the Centre the parents will be notified to come and collect their child.

Medications

Please hand all medications to the coordinator. Please do not store any medications in your child's bag. Before a staff member can administer medication, a form must be completed in full, All medication must have been previously administered on at least 3 occasions to the child to ensure that the child is not allergic to it. All medication is administered, signed and witnessed by another staff member. Ointments used in the centre are Savlon, Dettol and Stingose.

On set of illness or in an Emergency

If your child becomes ill or suffers an accident the parent will be contacted immediately. If the parent or emergency contact cannot be notified a relief member of staff will be employed to care solely for that child at the parent's expense.

If at any time the Centre staff considers that your child is in need of any medical attention the staff will seek ambulance/medical assistance. The Centre accepts no responsibility for costs incurred.

Sun Protection Policy

To ensure that your child is protected by the sun, we have a year-round sun policy.

- Please put sunscreen on any exposed areas of your child's skin before coming to the Centre. Homebrand sunscreen factor 30 will be re-applied before going outside again in the afternoon.
- Hats are required for outside play. Please provide your child with a hat everyday.

We have a sun protection policy of "No Hat, No Play".

Toys from Home

While every endeavour is made to minimise lost property, this is not always possible. Please encourage your child to leave their treasures and toys at home. Toys that are needed for comfort, such as blankets and teddies, need to be clearly labelled.

Behaviour Management

Physical punishment is never used to manage children's behaviour.

Most behaviour management used is verbal discussion. For severe or continuous poor behaviour, we may use time-out to calm a child before discussing their behaviour.

Parents will be informed of poor behaviour and, if severe, will be required to attend a meeting to discuss behaviour management strategies.

Hours of Operation

The Centre operates on a school term basis and is open from 8.30am to 3.30pm Monday to Friday excluding public holidays, unless otherwise notified.

A penalty fee does apply for the late collection of children (without notice). This fee is applied both during and after opening hours, so please be sure to book the hours you need correctly, as you will be charged from the time you book in. This is because the Centre is required, by law, to have the correct staff/child ratio for the whole period. If you arrive early you may be asked to wait with your child until extra staff members arrive.

It is advisable to book for each term as early as possible, as places are limited and vary due to Mundaring Sharing course participants' needs (as creche positions have first priority).

A minimum of one hour's notice is required for cancellations of creche. **Notice of cancellation for occasional care is before 9.30am the previous day, otherwise a 2 hour fee will be charged. If you do not contact the centre you will be charged for the total booked hours for that day.**

Fees

Fees are charged on a sliding scale, making the service affordable to families.

\$ 8.50 per child per hour

\$14.00 per hour for families with two children in care

\$18.00 per hour for families with three children in care

There is a minimum booking time of one hour. Bookings will be charge per 30-minute blocks.

Payments

Payments are to be made on the day of care, unless prior arrangements have been made. We accept cash, cheques and EFTPOS (made payable to Little Possums Sharing Centre).

Enrolments

An enrolment form needs to be completed prior to children being admitted to the Centre. It is the parents/guardians responsibility to inform the Director if any information has changed, so that all information is kept up to date.

Please note that the emergency contact person and number needs to be a person other than the parents.

Delivery and Collection of Children

Parents are encouraged to deliver and collect their own children. However provision is made on the enrolment form for additional people (over 18years) to provide this service for the parent. Prior notification must be given for people not known to the Centre to collect a child, and formal identification will be required. Provision is made on the enrolment form for specific custody arrangements.

Children must be collected on time. If children are not collected (without notice) within the final hour of the booked session, during operating hours, a penalty fee of \$2.00 per 10 minutes will be charged per child.

If the children are not collected within the final hour of the booked session and the Centre is closed, a late fee of \$5.00 per child will be charged for the first 10 minutes, and \$1.00 per minute per child thereafter.

When the Centre is closed, after 10 minutes the next of kin will be contacted and asked to collect the children. If this is unsuccessful, emergency contact 1 & 2 will be contacted and asked to collect the children.

If no contact can be made, a staff member will stay with the children on the premises until contact is made, and the children are safely collected in accordance with the enrolment details.

Signing In and Out

Under the Child Care Regulations, Occasional Child Care Attendance Record must be signed when delivering and collecting your child.

The Department checks these records during spot checks, and can fine us \$2000 per child not signed in. Part of this cost will be passed on to the responsible parents.

The Program

The Qualified staff prepare a program of activities which cater for children's individual needs. We provide a safe, warm, stimulating environment which encourages the children to develop and grow at their own rate.

Within the daily routine there is provision for planned and spontaneous play experiences in all of the developmental areas. The indoor and outdoor environments are set up to allow children to make realistic choices in their play.

A copy of the current program is always on display. If you have any questions or suggestions, please feel free to talk to us.

- a change of clothes
- nappies for the day
- clearly labelled lunch (if in care for lunch)
